EDUCATION

2023 - 2024

BENHA UNIVERSITY

- Bachelor's Degree in Computer Science Faculty of Computers & Artificial Intelligence
- Grade : Good

SKILLS

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking
- Eager to Learn
- Problem-solving

LANGUAGES

- Arabic Native
- English (Excellent)

TECHNICAL SKILLS

- HTML5
- CSS3
- JavaScript (ES6+)
- C++
- Python
- React.js
- Tailwind CSS
- Responsive Design
- Git & GitHub

WORK EXPERIENCE

- Developed and deployed responsive websites and web applications using HTML5, CSS3, JavaScript (ES6+), and React.js.
- Designed modern layouts and components with Tailwind CSS, ensuring mobile-first and cross browser compatibility.
- Applied strong debugging and problem-solving skills to optimize performance and enhance user experience.
- Built 3+ projects including portfolio websites, small-scale applications, and interactive interfaces.
- Used Git/GitHub for version control and project collaboration, maintaining clean and structured codebases.
- Continuously expanded knowledge through self-learning and online resources, staying up-to-date with the latest frameworks, tools, and web technologies.
- Improved application performance by applying modern optimization techniques, reducing load times, and ensuring smooth user interactions.
- Practiced agile-style development, breaking down tasks into milestones and delivering functional components iteratively

PROJECTS

- Plant Website – Informative site about plants, focused on clean design and accessibility.
- Portfolio Website – Personal portfolio showcasing skills, projects, and contact information.
- To-Do List App – Task management app with interactive UI and local storage functionality.
- E-Commerce Website – Full-featured shopping platform with product listing, cart, and checkout system.
- Twitter Clone – Social media clone with posts, likes, and user interactions.
- UI Projects – Multiple UI-focused projects demonstrating attention to design and user experience

CERTIFICATES

- Web Development Certificate – National Telecommunication Institute (NTI), 2024
- Additional online courses and certifications in Frontend Development (React, JavaScript, HTML, CSS)
